AMERICAN
SUBCONTRACTORS
ASSOCIATION

Save hundreds, even thousands, of dollars through the ASAdvantage program! This ASA affinity program provides significant discounts and savings on company participants' products and services exclusively for ASA members. When you take advantage of some or all of these companies' generous offers, you can reduce — even pay for — the cost of your annual ASA membership dues! ASAdvantage Program participants are organized by the following product/service categories:

- [Human Resource Management & Employee Benefits](#)
- [Office Supplies & Services](#)
- [Project Management & Documentation](#)

Human Resource Management & Employee Benefits

Benefit Solutions Today

<http://www.benefitsolutionstoday.com/asaonline/informationrequest>

(844) 340-2325

asaonline@benefitsolutionstoday.com

ACSI Partners, LLC, is one of the country's largest distributors of employee benefits to Fortune 500-sized organizations. Now, for the first time, small- and medium-size businesses can receive the same **Best In Class Employee Benefit Solutions** that the Fortune 500 companies receive:

- Comprehensive Benefits competitively priced with Underwriting Concessions from A-rated, well-respected carriers like Allstate, Combined, Lincoln Financial, Fidelity Life, United Healthcare, Bankers Fidelity, to mention only a few.
 - Benefits offered from a single source now accessible for employers with as few as 10 employees.
 - Consolidated Billing-Aggregating different carriers can create a nightmare for billing departments. No disruptions to any workplace due to a streamlined billing platform with consolidated billing with multiple carriers.
 - Unique Selection System-How to choose what benefit has never been easier.
- Benefits Gap Analysis, an online system allows every business to determine which benefits make the most sense based on the values and characteristics of a company's culture, demographics and past benefit enrollment practices.
- Enrollment Options-Regardless of size, number of locations or industry, every client of can choose between:
 - One-on-One Enrollment
 - Online Enrollment
 - Call Center Enrollment

<http://www.compensationinteractive.com/asa/>

25 Percent Member Discount – Use Coupon Code **ASA2015 at Checkout**

www.CompensationInteractive.com is brought to you by FMI and is proud to participate in the ASAdvantage program to provide our service as a benefit to ASA members.

Your compensation needs start here!

FMI recognizes that design and construction firms look to industry associations for current market pay data. www.CompensationInteractive.com is your online solution built specifically for attracting and retaining key talent in the construction industry. FMI Compensation has 20 years of experience helping companies within the construction and engineering industry to manage their compensation needs. FMI Compensation offers compensation surveys covering your organization's unique employee population segments specific to construction and engineering. Separately, each

survey provides the most comprehensive perspective on total compensation for the broadest groups of positions available. www.CompensationInteractive.com covers more than 280 job descriptions including engineering-related, general and specialty contractor-related positions. With over 80,000 incumbents combined, the surveys paint a complete picture of total compensation, and benefits giving you the only data resource you need to establish and manage your employee pay and reward strategy for your company. Our databases are recognized nationwide as the most reliable source of data for compensation planning within the construction and engineering industry. www.CompensationInteractive.com is a complete solution supported by FMI's annual salary surveys designed specifically for the construction and engineering industry. The platform offers a secure online service where you can share salary data anonymously. You can access accurate, current, and localized compensation information 24/7 from other firms just like yours. Sign up and start running reports today! Online registration is easy and is designed to deliver current market salary data to help make those data-driven decisions when hiring or providing salary reviews.

Life Leadership: Launching a Leadership Revolution

<http://www.asaleadershipprogram.com>

Based on the *New York Times* bestselling book *Launching a Leadership Revolution*, the LLR Corporate education program is designed not to train employees but to develop leaders. Leadership development is arguably the single most important investment any company can make. The leader creates the culture; the culture delivers the results.

Now in just six short months, you can transform your workforce into an army of engaged, contributing, go-to leaders pursuing a culture of excellence and naturally and systemically ensure the culture for all personnel, including new hires. Each monthly package featuring one book and four audios is conveniently shipped directly to your office or to each participant's home for only \$50 per employee per month. Specially created optional tests are also available at no additional charge, so you can monitor progress while encouraging participation and group discussion. Show your employees that you truly and deeply care for them and design a better, brighter future for your business. [Enroll](#) today and start generating high morale, tremendous loyalty, and increased productivity!

SESCO Management Consultants
(423) 764-4127

<https://sescomgt.com/>

ASA members receive complimentary human resources services provided by SESCO Management Consultants, including:

- [Free Telephone/Email Consultation](#) – The SESCO staff is available to answer your questions at no charge, Whether you have a federal or state employment compliance question such as wage and hour, FMLA, COBRA, INS, or Equal Employment.
- [Free Handbook Review](#) – The SESCO Staff will review and analyze your current employee handbook or policies to ensure compliance with federal and state employment regulations, as well as to ensure the employee handbook is effective.
- Discounted Management/Employee Satisfaction Survey Program – Employee morale is at the core of whether a company is profitable and successful. SESCO offers ASA members a discounted employee satisfaction survey program to help ASA-member companies identify employee relations issues that may be impeding optimum

productivity and quality customer services. For each ASA member that joins the Management/Employee Satisfaction Survey Program, SESCO will customize a survey that will be sent to the subcontractor's employees. The survey can be performed on- or off-site, by mail or online. SESCO receives the confidential survey responses, then supports each company in reviewing, understanding and addressing survey results. The analysis will also include exclusive benchmarking to an ASA-member database. ASA members interested in participating in the program may contact a SESCO consultant directly at (423) 764-4127 or sesco@sescomgt.com and identify themselves as ASA members.

- [The SESCO Report](#) – SESCO's monthly newsletter is available to ASA members.

Office Supplies & Services

.BUILD

Contact: George Minardos

(703) 627-2235

george@bmail.build

<https://www.domain.build/e/asa>

(Use promotional code **ASASALE for your member discount)**

The Internet is rapidly changing with hundreds of new alternatives to the well-known .com,.org and .edu domain names, and the building and construction industry now has its own name on the Internet: .BUILD!

Subcontractors, specialty trade contractors, suppliers and others in the construction industry can more accurately represent themselves online with a new .BUILD Web site and email address. .BUILD is more than just another generic domain name like .com — it is an online community dedicated to serving builders through enhanced search, Web site design, news, information and virtual markets. It clearly states who you are and what you do.

Conceived and run by industry veterans, .BUILD delivers a wealth of real-world experience to the building and construction industry Internet vision.

As an ASA Silver sponsor, .BUILD is now offering a special 30 percent discount to ASA members off .BUILD domain names. Go to <https://www.domain.build/e/asa> and enter the promotional code **ASASALE** during check-out to get the discount on new .BUILD domain names just for your company!

BuilderPro Fleetcard

<http://fleetbusinesssolutions.com/builderpro>

The BuilderPro Fleetcard MasterCard® is the only fuel card built for the construction segment. BuilderPro offers all of the features of a standard fuel card that save time and money, PLUS additional benefits designed for subcontractors and specialty trade contractors:

- **CONTROLS:** BuilderPro allows managers and business owners to customize what, when, and where employees can purchase both fuel and material supplies, in real time.
- **CONVENIENCE:** BuilderPro offers universal acceptance for fleet fuel purchases — at over 160,000 fuel and 400,000 maintenance sites nationwide. In addition, it serves as a single, streamlined fuel and supply payment solution that's conveniently accepted at MasterCard — accepting home improvement retailers and building material outlets nationwide.
- **SAVINGS:** In addition to savings of up to 6¢ per gallon, BuilderPro also offers a 5% cash back rebate on your building material purchases at Home Depot, Lowe's, Menards, and HD Supply.

Universal Premium Fleetcard MasterCard is issued by Regions Bank, pursuant to a license by MasterCard International Incorporated. MasterCard and the MasterCard Brand Mark are registered trademarks of MasterCard International Incorporated.

The BuilderPro Fleetcard is provided by [FleetCor Technologies, LLC](#), a leading global provider of fuel cards and specialty payment products to over 500,000 businesses in 43 countries worldwide. Established in 2000, FleetCor is headquartered in Atlanta, Ga.

eMeasure

<http://www.emasure.com/>

ASA Silver Sponsor eMeasure is the perfect solution for today's busy construction industry. eMeasure is a simple electronic takeoff software that allows subcontractors to measure from digital construction plans and blueprints with ease. Takeoff areas, lengths and counts from scans, PDFs and CAD, then export to Excel — it couldn't be easier!

The eMeasure system is a high quality product with only the features subcontractors really need, allowing the product to be produced at an extremely affordable price. It's simple, accurate and easy to use, and all at just \$29.50/month. Rent only when you need it!

Subcontractors can learn eMeasure in under an hour with eMeasure's excellent support resources, including FAQ, training videos, documentation and more — all included for free with the program.

eMeasure is the ultimate way to go paperless with your estimating! Not only is it affordable, simple, and easy to use, but eMeasure offers a free trial for the first month so subcontractors can truly see the benefits of the program at no extra cost. Try it today — visit <http://www.emasure.com/> to see why eMeasure is "Made to Measure."

Lenovo

(800) 426-7235, Ext. 5050 (Monday-Friday: 9:00 a.m. - 9:00 p.m. ET, Saturday: 9:00 a.m. – 5:30 p.m. ET)

PlanSwift

(888) 752-6794

sales@planswift.com

<http://www.planswift.com>

PlanSwift, a Textura Corporation solution, is the nation's fastest growing digital takeoff and estimating software for the construction industry. Contractors and estimators use PlanSwift to easily and efficiently perform material takeoffs and estimate material quantities. More than 20,000 industry professionals in more than 10 countries use PlanSwift to help them complete more precise and accurate bids every day. PlanSwift calculates the takeoffs automatically, saving users' valuable time and effort when they bid on jobs. PlanSwift users can drag and drop individual construction material parts or material assemblies directly onto a digitized blueprint. PlanSwift's feature-rich environment includes the ability to integrate with Microsoft Excel spreadsheets and allows for see-through and comparative plan overlays, measuring square, linear and metric footage, pitch and angles, and the ability to email, update, and store plans using industry-standard CAD and image files. For today's construction and building professionals, PlanSwift is the ultimate, easy-to-use, takeoff and estimating solution.

ASA members receive an exclusive 15 percent discount off retail pricing for a license of PlanSwift Professional with associated Maintenance & Support. For information about PlanSwift, contact our sales team at (888) 752-6794, Ext. 1, or sales@planswift.com.

UPS
(800) 636-2377

<http://savewithups.com/asamembers/>

UPS is proud to offer valuable discounts on the products and services ASA members need most. ASA members can take advantage of some of the most competitive rates available on UPS® shipping services. With more service options, superior ground-delivery coverage and overnight delivery by 10:30 a.m. to more zip codes than any other carrier, it's time to put the power of logistics to work!

Save up to 34 percent on a broad portfolio of shipping services including:

- Up to 34 percent on UPS Air letters including UPS Next Day Air®*.
- Up to 30 percent on UPS Air packages (1 lb.+)*.
- Up to 32 percent on UPS International imports and exports.
- Up to 16 percent on UPS Ground shipments.
- Savings begin at 70 percent on UPS Freight® shipments over 150 lbs.

ASA members can receive these discounts even if they already have a UPS account. Whether they need their documents or packages to arrive the next day or are looking for the most affordable shipping option, UPS understands the importance of reliability, speed and cost. Plus, the more ASA members ship, the more they can save with UPS.

UPS also helps ASA members' businesses grow, improve their bottom lines and makes shipping easier. To enroll and start saving today, visit savewithups.com/asamembers. For more information, call (800) MEMBERS (1-800-636-2377), M-F, 8:00 a.m. – 6:00 p.m.

*Discounts exclude UPS Express Critical® and UPS Next Day Air® Early A.M.®

WE ♥ LOGISTICS™
thenewlogistics.com

UPS Freight
1-800-MEMBERS (636-2377)
saveonfreight@1800members.com
<http://www.1800members.com/ASA>

ASA members receive special pricing with UPS Freight® on qualifying LTL (Less-Than-Truckload) shipments. With UPS Freight, ASA members get regional, interregional, and long-haul capabilities — all under one carrier. And with UPS technologies, such as WorldShip®, and Quantum View® manage, ASA members can process and track LTL shipments, create electronic bills of lading, reconcile billing, and much more!

UPS Air Freight

With UPS Air Freight, it's easier than ever to send freight around the world. UPS Air Freight's comprehensive portfolio of global air freight services provides options which fit your time-in-transit needs. Use UPS Air Freight's technology solutions to calculate rates and create shipments on <http://ups.com>. Then, track your freight movements in real time or access a full view of shipment detail for your inbound, outbound, or third-party shipments right from your desktop. UPS Air Freight services allow you to control your supply chain, ensure goods get to their destinations and maximize shipping efficiency. If you would like to enroll in the ASA Shipping Program or would just like some more information, call 1-800-MEMBERS (636-2377) or visit <http://www.1800members.com/ASA>. Project Management/Documentation

ConsensusDocs
(866) 925-DOCS (3627)
www.consensusdocs.org
(Use promotional code **ASA100 for your member discount)**

The ASA-endorsed ConsensusDocs family of documents includes contract documents for different project delivery methods, as well as supplemental documents/forms to help subcontractors define and manage the risks and responsibilities of electronic communications, financial disclosure, surety bonding and more. ConsensusDocs users have 24/7 access to contracts from anywhere via a secure, cloud-based system. The system allows users to electronically review and propose changes to ConsensusDocs documents and makes it easy for users to electronically collaborate on document changes with other people in their company and electronically negotiate contract changes with clients. These document subscription packages are available:

- Full Package – Unlimited use of all 100+ documents for one full year: \$799 (ASA member)/\$999 (nonmember).
- Subcontracting Package – Unlimited use of subcontracting and select other documents (same as previous subcontracting package) for one full year: \$449 (ASA member)/\$549 (nonmember).
- Express Package #1 – Unlimited use of select short form and administrative documents for one full year: \$349 (ASA member)/\$449 (nonmember).
- Express Package #2 – Access to select short form and administrative documents for one full year, plus a per-document usage fee: \$249 (ASA member)/\$349 (nonmember).

For nearly 50 years *Construction Claims Monthly* has been solving the contracting headaches of construction industry professionals. Each issue covers the most significant U.S. verdicts, analyzes practical approaches to drafting contracts and defending claims, and provides dos and don'ts lessons for avoiding disputes. Now, this indispensable resource — which gives you the insight to think like a lawyer — is available to ASA members at a special discounted price!

- 20 percent off an annual subscription to *Construction Claims Monthly* (regularly \$337).
- free access to the CCM Library containing decades' worth of case analysis.

Learn strategies for bid protests, damages and delay claims, equitable adjustment and non-payment claims, contract breach suits, wrongful termination — and more. *Construction Claims Monthly* gives you a fly-on-the-wall peek at common business and contracting mistakes that cost valuable time and money — so that you don't have to make them.

ASA members can use the promo code **W99ASABP** to save 20 percent when they subscribe at <http://www.constructionclaimsmoently.org/ccl-asa-partnership.php>.
