

New Mexico Contractors'
CompTrust

**SELF-INSURED
FUND**

76% OF PARTICIPANTS DECREASED
EMOD AFTER 3 YEARS

Owned by the premium payers that represent the commercial construction industry

That means you are the beneficiary of your own insurance policy

Impact Your EMOD

- You pick the deductible
- Buy backs

Could lower your EMOD

Specialized Safety & Loss Control Programs

A dedicated Safety Professional will be assigned to evaluate general safety practices and policies and inspection of your job site

Ease of filing a claim

Localized claims handling operations

Set your Expectations & Manage Outcomes
