ASA-NM is here to serve your business in the best way possible. Back by popular demand; the Business Practice Interchange! Based on your comments expressed over the years, we are taking the time to give you more of what you want. Your business success is what makes ASA work harder for our members.

The Business Practices Interchange, or “BPI” as it is commonly known, is a valuable service ASA-NM offer its members.

A Business Practices Interchange provides for the exchange of business and credit information about subcontractor clients. The information exchanged must be factual and based on the actual experience of the ASA member providing the information.

All BPI participants must follow the rules and guidelines for participation as well as sign the [Participation Agreement](#) to participate in BPI activities. [Rules and guidelines can be found here.](#) The Participation Agreement only needs to be signed once, you do not need to submit a new agreement each meeting.

**If you have a BPI request, comment or topic, please fill out the attached form and email them in to ASA-NM at [memberservices@asa-nm.org](mailto:memberservices@asa-nm.org) or bring them with you to the meeting.**

**RSVP** to [memberservices@asa-nm.org](mailto:memberservices@asa-nm.org), once your RSVP is confirmed and your signed agreement is verified you will receive a Zoom meeting invitation.

Please contact us with any questions, comments or concerns, we value your opinion!
